Oshi Sushi, also known as oshizushi is a type of sushi that originated in Osaka, Japan. Our style of Oshi Sushi is a unique and innovative way of making sushi that is popular in Vancouver B.C. It involves compressing each bite of rice in a special mold into a neat rectangular shape to create a firm texture. The seafood is torched to provide smoky flavour and is topped with our secret sauces. Oshi Sushi appeals to both classic sushi lovers and newcomers as it is fully cooked and full of flavour.
